THE INSIDE SCOOP

Sweet advice gains even sweeter rewards.

Over 100 student volunteers can be found throughout campus today, and they are here to provide you with more than just directions to your next presentation.

First piece of advice — ice cream is a big deal at UConn, and it's time to get on board.

Student volunteers are ready to provide you with the inside scoop to all things UConn, from where to study, to the best latte on campus — you ask a question, you get rewarded.

Ask a student volunteer three questions and gain a token. One token will earn you one single-serving scoop of UConn's award-winning, campus-made ice cream at either the Dairy Bar or at the Dairy Bar ice cream truck today.

The Inside Scoop is restricted to our admitted students for use on UConn Bound Day only.

HERE, WE'RE HUSKIES.

Welcome to the University of Connecticut. It's your time to take it all in. We've planned an action-packed program filled with the best UConn has to offer. Faculty, students, and staff are all here to make sure UConn starts to feel a little more like home to you.
