# Unlimited Potential, Endless Opportunity

At UConn Stamford, enjoy an enriching educational experience with small class sizes and personalized attention, supported by the expansive resources of a top public university. Go beyond the classroom by joining faculty-led research or managing an investment portfolio with the Student Managed Fund. Engage in a First Year Experience course or a Learning Community aligned with your interests. Take full advantage of these opportunities to enhance your UConn education.

## LIVE AND LEARN HERE

Students can apply to live in fully furnished University apartments with private in-unit amenities and communal study areas. Stamford is also home to countless restaurants, museums, parks, and entertainment venues, all as diverse as the city itself.

## HONORS PROGRAM

We invite those students with a record of significant academic success and engagement into the Honors Program, an enriched academic experience for eligible top scholars. This tight-knit community of high achievers works closely with outstanding faculty in rigorous courses. The Honors Residential Community offers first-year Honors students access to exclusive events, collaborative projects, and dedicated spaces for study and socializing.

## SUCCESS IN STAMFORD

Our Center for Career Readiness and Life Skills is dedicated to supporting students in becoming career ready. This includes exploring career interests, identifying opportunities, and implementing an action plan — helping you build industry connections before graduation. Stamford has among the largest concentrations of business headquarters of any U.S. city, so you won't have to go far to find your dream job or internship.

## 125+ MAJORS, ONE UCONN

If your program isn't offered at UConn Stamford, choose from UConn's 125+ majors and complete your first 54 credits (about two years) here, then transition to UConn's main campus in Storrs to finish your degree.
